

# Refractor Telescope

Handwriting practice area with multiple sets of horizontal lines (solid top and bottom lines, dashed middle line) for writing.

# Reflector Telescope

Handwriting practice area with multiple sets of horizontal lines (solid top and bottom lines, dashed middle line) for writing.

# Edwin Hubble

November 20, 1889 – September 28, 1953

Handwriting practice area with multiple sets of lines. Each set consists of a solid top line, a dashed middle line, and a solid bottom line. There are 10 such sets of lines arranged vertically on the page.

The image shows a handwriting practice sheet. It features a large rectangular frame containing several sets of horizontal lines for writing. Each set consists of three lines: a solid top line, a dashed middle line, and a solid bottom line. There are 10 such sets of lines arranged vertically. In the top right corner of the main frame, there is a smaller, empty rectangular box. A short horizontal line is drawn above the top-left corner of the main frame.

This image shows a blank sheet of lined paper designed for writing. The page features a large rectangular border. Inside this border, there are 20 horizontal lines spaced evenly down the page. On the right side of the page, there is a smaller, empty rectangular box that overlaps the main writing area. This box is positioned in the upper right quadrant of the page. The lines are solid black, and the background is white.
